## Exciting Growth

Our attendance has been growing steadily over the past month. Several times we have had 60 people at our midweek Bible study and Sunday service. We are enjoying getting to know new people and trying to figure out how to study with all of those interested in personal studies. With this growth, we have decided that it is time to stop traveling by bus to Santa Rosa so often. We will now be meeting on Sundays in Corquín every week except for perhaps the last Sunday of the month. We do want to keep that connection and it is encouraging to meet with that family of believers, but we will just have to figure that out.

Mike has been working with the Christian men to help them become comfortable praying in a group setting and in developing lessons to teach. Each of these men have been Christians for a year or less, but they are excited to be a part of this growing process. Please pray for the faith and spiritual growth, and leadership of Lito, Michael S., Antonio, Tito, Victor, and Tonito.

The Tuesday night ladies' Bible study and children's classes have been growing as well. We average around 17 ladies and 10 children in their respective classes. Each of our women take a turn preparing a class with Kris and then presenting it to the group. This is helping develop both their study and teaching skills.

## Unscheduled VBS with Snellville Church of Christ

The Snellville Church of Christ in Atlanta came the first week of July to put on a Vacation Bible School in conjunction with Mission UpReach in Santa Rosa, Monday through Thursday. They did an amazing job! Kris went there to "help" a couple of days, but really if truth be told, she went to visit with our son Matt and his wife Hannah, who are members at Snellville. On Wednesday the group decided to make a trip out to Corquín and do a mini version of their VBS on Thursday for the children who regularly attend with us. They brought their decorations, supplies, smiles, and energy! Our kids had such a great time. And to top it off, they left us some supplies that we will be able to use with DESEO, Bible class, and at other times. What a blessing and encouragement this was for us! Please see the photos below!

The theme was Minions and the Bible story was Daniel and the Lion's den. Each child received a backpack that included a bowl, cup, toothbrush and tooth paste, pencils, colored pencils and more! They made crafts, sang songs, and just had a plain old good time!

Saying goodbye is hard. As you know, Kaylee is attending AIM in August and left Honduras on Friday, July 20<sup>th</sup>. Since everyone would be unable to celebrate her birthday on the 31<sup>st</sup>, they planned a surprise birthday celebration for her on her last Thursday there. The kids hugged her and didn't want to let her go. Below are a couple of photos.
